

Dear Fellside Parents,

We will be restarting the karate classes on a Wednesday 14th & Thursday 15<sup>th</sup> September from 7.50am-8.50am. This course will run for 12 weeks.

All students who have previously been a member of this club will have their spaces reserved to start again in the same class. However, there are some new spaces available to anyone aged 5 and over who is interested in starting on a Wednesday.

Please note to make teaching and learning easier the classes are divided into two groups.

Group 1 – Wednesday morning for Beginners, White, Orange, Red and Yellow Belts.

Group 2 – Thursday morning for Green Belts and above.

If there are any problems with this or you would like your child to attend both classes we can discuss this on an individual basis, please give myself or Lee a call.

The course is still £3 per lesson, i.e. for the 12 week course the total will be £36, which would need to be paid prior to the first lesson. If your child would like to join the karate club or is a previous member wishing to restart please complete the form below and return it to the school office.

Grading's will continue to be held when the students are ready but no more than three times a year. (Please make cheques payable to Lee Lamb – Thank you).

Kind Regards
