Ambition for all.

15th May 2026

We are immensely proud of our Year Six pupils, all of whom sat their national assessments this week (SATs). I was so proud of them that I decided that we couldn't wait any longer... and surprised them with their Leavers' Hoodies. Thanks again to the PTA for part funding these mementos; it's safe to say that the cries of excitement were a good indicator of how appreciated this was. We also let the class know that a special trip had been arranged for them for next Wednesday – a visit to Wagamama's in the Metro Centre for lunch. We are determined to make sure that Year Six have a fitting end to their time at Fellside Community Primary School!

More of you have signed up for the **Meet the Teacher** events next month, before our children have a transition day in their new classes. We understand that not all parents are able to join their child and we welcome any adult who is part of your child's life to come and share the afternoon with them on your behalf, if this is the case.

We are still waiting to hear from some of our families so please do inform us of your intentions through the following links:

Last week, we shared a competition to celebrate Sir David Attenborough's 100th birthday and we had some lovely entries, which will all be displayed in school to celebrate the natural world.

I decided that all entrants were worthy of a prize – however, I had only purchased eight (one per class), therefore more are on their way and every single child will receive their prize next week in Wednesday's book assembly, when we share Little People – Big Dreams: David Attenborough.
